looking out for each other...**

Neighbourhood Watch Program

Each Area is divided into blocks of 10 – 20 homes.

A map is created for each block.

Each block will have one person who volunteers as the **BLOCK CAPTAIN**.

Being a Block Captain is easy!

- 1** Must be willing to talk to your neighbours!
- 2** Exchange names & contact info with neighbours on your block. Update the list yearly.
- 3** Distribute crime prevention packages to each home on your block.

- Time commitment is approx. 4 hrs/year.
- You can share the position with a neighbour.
- You do NOT have to be home all the time.
- Eligible to receive the RCMP News Releases.

Neighbourhood Watch Members

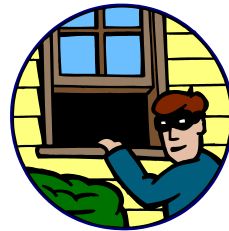

When neighbours know each other and look out for one another— there is less opportunity for crime to happen.

When your Block Captain asks you to participate, please:

Display Neighbourhood Watch Stickers on your front and back doors.

Meet your neighbours. Know who belongs in your neighbourhood so you can quickly identify who doesn't!

When you see odd, suspicious or criminal activity **CALL THE RCMP.**

The RCMP need your tips & information. It does NOT have to be an actual crime in progress to call the complaint line!
